**PETITION TO CORRECT INVENTORSHIP UNDER 37 C.F.R. §1.48(a)**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This communication serves as a petition under 37 C.F.R. §1.48(a) to correct inventorship. This application was filed in the United States on August 28, 2001. Due to a need to quickly file the application, Applicant's attorney inadvertently failed to include a second inventor's name. This application was filed on August 28, 2001 naming Ms. Mary Louise Parker

as an inventor with a signed Declaration. Subsequently, Applicant's attorney was informed that a second inventor, Mr. Bob Summers, should have been listed on the application. Upon further examination, Applicant's attorney agreed that Mr. Bob Summers should have been listed as an inventor in this application. A Declaration including the signatures of both inventors, and a Declaration of Bob Summers accompanies this petition under 37 C.F.R. §1.48(a).

Also enclosed is a check in the amount of \$130.00 in payment of the required petition fee. It is believed that no additional fee is due other than the fees represented by the enclosed checks; however, if there is any outstanding balance for this petition, the Commissioner is hereby authorized to charge any additionally required fee for consideration, entry and record of the Declaration and Petition, or credit any overpayment therein, to Deposit Account No. 50-0320.

Applicant therefore respectfully requests that the inventorship on the above-referenced application be changed to add the second inventor.

Respectfully submitted,
